HATS OFF to Harry Hubbard

A Celebration of 45 years of service and leadership

P.O. Box 200024
Austin, Texas 78720-0024
(512) 258-2629

EX OFF

May 15, 1989

Arthur R. Osborn, Pres.
Massachusetts AFL-CIO
8 Beacon St., 3rd Fl.
Boston, MA 02108

Dear Arthur:

As you know, our good friend and Texas AFL-CIO president Harry Hubbard is retiring this summer after a 45 year career of service to Texas workers.

We are going to honor Harry with a banquet -- "Hats Off to Harry Hubbard -- A Celebration of 45 Years of Service and Leadership" -- July 27, 1989 at Austin's Palmer Auditorium. We very much want you to be a part of this event. A reception for Harry and Marceil will begin at 6:30 p.m., with dinner at 7:30.

We are planning to present to Harry an appropriate gift and a commemorative dinner program book which traces his career in the labor movement and the rise of progressive forces in Texas. Your contribution will help defray the costs of the event and the presentation to Harry, as well as provide you with an ad, (see size and costs enclosed), in the dinner program* and two banquet tickets. The dinner program will also be distributed to Central Labor Councils and union leaders throughout Texas -- most of whom will be in Austin for the banquet and the summer convention for the Texas AFL-CIO.

During Harry's tenure at the Texas AFL-CIO, both as Legislative Director and as President since 1973, the respect accorded organized labor has grown enormously, as has its political clout. Even in the midst of hard economic times, Harry's leadership has enabled labor to preserve hard-fought legislative and political gains for Texas workers.

As you know, Harry's leadership has brought Texas labor into the very halls of government -- with almost a hundred union members being appointed to state boards and commissions, extending the influence and concerns of our organizations.

In addition, Harry's development of internal political education programs have made organized labor a major political force in shaping the outcome of Texas Democratic primary elections -- including making unions vital participants in the Democratic Party. For example, more than 1,000 labor affiliated delegates attended the Texas 1988 State Democratic Convention. And the state labor federation's development and coordination of a united labor strategy for working with the state legislature has resulted in the enactment of hundreds of bills that have been beneficial to individual segments of the labor movement, as well as to workers as a whole.

Most importantly, Harry's leadership has always emphasized the value of coalition building and relationships based upon trust, honesty and mutual support -- bringing renewed respect to organized labor in Texas.

Because you have worked with Harry and the Texas AFL-CIO on many causes over the years, we know you will want to be part of the "Hat's Off to Harry Hubbard" event. Barbara Chapman, Tom Green and Mary Beth Rogers are helping to coordinate the event and you will be getting a call in the next few days to see how you want to participate. Or, you can return the attached reply card to me directly. We look forward to working with you to make this a memorable evening for Harry.

Sincerely,

A handwritten signature in dark ink, reading "James A. Martin". The signature is fluid and cursive, with the first name "James" and last name "Martin" clearly legible.

James Martin, President
Ironworkers District Council of Texas

*Cocktail Attire
R.S.V.P.*

Commitment has been the ideal which Victor Bussie has followed throughout his life. 1989 marks the 50th year of Mr. Bussie's commitment to the people of Louisiana and the nation. Through his dedication, he has benefitted people by being the champion of civil, human, and working rights of all citizens.

Mr. Bussie, one of the foremost leaders of labor in the nation, has devoted his life to the service of working men and women. His efforts have also been on behalf of businesses large and small that create the jobs that benefit all the working people of Louisiana. Evidence of that can be seen in one of Mr. Bussie's greatest achievements—a cooperative effort joining the forces of labor, business and industry, and State Government to accomplish the financial revamping of the Louisiana Unemployment Compensation Trust Fund. This effort is saving Louisiana employers hundreds of millions of dollars and insuring adequate funding for paying unemployment benefits.

Proceeds from the testimonial will be specifically dedicated to the Louisiana State Labor Council Educational Association.

The purpose of the non-partisan Educational Association is to provide academic scholarships to deserving college bound students and to distribute educational materials to its members.

Other projects that will directly benefit the economy of our state include the opening of the Pennington Biomedical Research Center on which Mr. Bussie worked closely with LSU and business leaders to generate \$17 million in operating funds and guaranteed research contracts. He also helped establish the Business and Technology Center, an innovative first step in the establishment of a statewide business incubator program.

Through the Louisiana Public Facilities Authority, which he has chaired since its inception in 1974, our honoree has helped to bring almost \$9 billion in capital investment into Louisiana to help finance educational facilities, hospitals and hospital equipment, student loans, industrial and economic development projects, and essential programs for the state of Louisiana and local governmental units. The LPFA has been directly responsible for creating approximately 14,000 permanent jobs and 35,000 construction jobs.

As former first vice-president of the National Association of Mental Health, Mr. Bussie has devoted his life to the assistance

of the mentally ill, retarded citizens, and the educationally and socially deprived. He has been a recipient of the Public Service Award from the Louisiana Association of Independent Colleges and Universities, the prestigious Israel 40th Anniversary Medal—one of only three ever given, the Annual Community Service Award of the American Parkinson Disease Association, the Red Cross, and the Outstanding Legislative Service Award from the National Association for Mental Health. In recognition of his efforts on behalf of education, he was awarded an Honorary Doctor of Laws Degree by Nicholls State University. He has been an untiring fighter for ethics in government and has served on the State Commission on Governmental Ethics for more than twenty-five years under five governors.

To acknowledge this extraordinary dedication, a group of friends will host a dinner honoring Mr. Bussie. U.S. Senator J. Bennett Johnston, U.S. Senator John Breaux, and U.S. Congresswoman Lindy Boggs will serve as the Honorary co-chairs for this event.
